

Autumn Vision

Eyes close to imagine
Blindness and yet
Shuffling on leaves let go
Or rain dampened
Provide an Autumn aroma
Bouquet to the sightless

The feel of crisp morning
Frost laden air touch cheek
Ears beg toboggan
Toes wish wool
Provide Autumn cozy
Warmth to the sightless

Munching a fallen persimmon
Crisp crunch on the Jonathon
Sip of cider with fire roasted hot
Dog plus a Hershey smore
Satisfying Autumn appetite
Feasting for the sightless

Memories of Autumns past
Woods trails hiking
Hayride hand holding
Perfumed youth love
Provide Autumn sweet
Reverie for the sightless
